

West Central Ohio Hunting Retriever Club

Membership Application

WCOHRC is the oldest hunting Retriever club in Ohio. We have been training and testing dogs for almost thirty years. We strive to bring good friends and great dogs together in the same venue.

The WCOHRC was "conceived by hunters for hunters" to train and test our dogs in true life hunting situations. Those at our local level train for those real life hunting situations as well as basic fundamental training drills.

- West Central Ohio HRC has been a charter member of the National Hunting Retriever Club, Inc since 1986.
- Is affiliated with the United Kennel Club (UKC), Inc, the world's largest working dog registry.
- UKC, Inc. licenses our hunts, maintains our retriever's points and awards the titles that our retrievers earn.
